

There is only one thing clearer than our signal. **Our Commitment.**

The most trusted name in industrial signaling solutions.

From a legacy of leadership comes the most advanced line of communication and signaling devices you can find. Engineered to the most rigorous standard. Manufactured with world-class components. And uniquely designed for maximum clarity, improved productivity and total reliability. At Federal Signal, we put more into our signals - so you can get more out of them.

**FEDERAL SIGNAL
CORPORATION**

The Signal Is Clear™
